ECW Educators Festival

The ECW Educator's Festival is a unique opportunity for Educators, Presenters, Exhibitors and services.

The ECW Educators Festival connects Educators from all sectors and across all roles in Education and Care directly with information, services, resources, consultants and experiences directly relevant to professionals working in the Education and Care space.

As a Stall holder you will have unlimited exposures to your target audience from the moment the event opens to the minute the event closes. Educators will have complete freedom to explore the market place and to engage with Sponsors, Presenters, Exhibitors and Suppliers for the full duration of the event. Providing you with every opportunity to maximise on your engagement with the sector in an uninterrupted and leisurely manner.
